

REACH DECLARATION

REGULATION (EC) No 1907/2006 CONCERNING THE REGISTRATION, EVALUATION, AUTHORISATION AND RESTRICTION OF CHEMICALS (REACH)

Midas Components Ltd (including Midas Displays and Midas Sensors) confirms to all customers purchasing any of their products (including, but not limited to, LCD modules, OLED modules, TFT displays, display accessories, ultrasonic transducers, and product packaging), that said products do not contain any of the Substances of Very High Concern (SVHC) from the latest REACH Candidate List in a concentration above 0.1% weight by weight.

Unless otherwise notified, all parts quoted/sold by Midas Components will be compliant to the very latest REACH Candidate list - the current version of this list of candidates for critical substances can be found here:

http://echa.europa.eu/chem_data/authorisation_process/candidate_list_table_en.asp

The current version of Annex XVII (Banned substances/restrictions on the use of substances) can be found here:

<https://echa.europa.eu/de/substances-restricted-under-reach>

In the very rare situation where a part does not conform to this regulation the product and/or it's specification will be clearly marked as non-conforming, and customers will be notified prior to any quotation/order process.
